## EDUCATION

Bachelor of Science, Mobile Development

**FULL SAIL UNIVERSITY** 06/2019 - 03/2022

Winter Park, FL 32792

High School Diploma

**SEOUL HIGH SCHOOL** 03/2014 - 02/2017

Seoul, South Korea

## PROJECTS

**THE FOOTBALL GALLERY** 01/2022 - 02/2022

An individual project providing football fans live data such as news, fixtures, and standings. Lets users interact with basic social networking service(SNS) features.

- Conducted analyses for demographics and target audiences, platforms, and competitive applications
- Designed and programmed the project within the Full-Stack Development architecture
- Built all core components of a news & social network with Java
- Displayed live data that was pulled from public APIs, using OKHttp library
- Implemented CRUD operations to maintain data, which were remotely stored using Google Firebase
- Structured and normalized the database
- Authenticated and registered users with Google Firebase

**YES, BOSS** 01/2022

An individual project maximizing communication between employer and employees by utilizing task lists with checkboxes rather than separate messages.

- Designed and programmed the project within the Full-Stack Development architecture
- Built all core components of a to-do list application
- Task lists performed CRUD operations to maintain data, and are stored remotely using Google Firebase
- Structured and normalized the database
- Authenticated and registered users with Google Firebase

## VOLUNTEER

**REPUBLIC OF KOREA MARINE CORPS** 06/2017 - 03/2019

Sergeant, Combat Engineer

- Supervised a team and developed harmonious relationships from various ranks, while optimizing tasks as a squad leader
- Improved leadership and management skills by overcoming challenging situations, while also boosting personal character development.

**INDUSTRIAL DESIGN** 2015 - Present

- Prepared and practiced personal design in Art by studying the basics of design
- Improved sense of design and experience in UX/UI which helped with personal development, prototyping and skills in Adobe XD
